7. Roadmap (2025 – 2026)

Phase 1 – Launch (Q4 2025): Contract deployment, BscScan verification

Phase 2 – Community Growth (Q1 2026): Telegram & X campaigns

Phase 3 – Liquidity & Exchange (Q2 2026): PancakeSwap launch

Phase 4 – Galaxy Expansion (Q3 2026): NFT and staking integration.

8. Governance Model

TUMA will transition toward a multi-signature, community-governed model to ensure transparency and decentralized decision-making.

9. Legal Disclaimer

TUMA is a community token for entertainment and meme culture purposes. It is not a security, investment contract, or financial instrument.

10. Conclusion

Turbo Manatee represents innovation and fun in crypto. By combining transparency, decentralization, and community power, TUMA aims to become one of the most trusted meme tokens on BSC.
